If any Assessment is payable in installments, the full amount of the Assessment is a lien from the time the first installment becomes due. The personal obligation to pay any past due sums due the Association shall not pass to a successor in title unless expressly assumed by them. No Owner may become exempt from liability for payment of the Assessments for Common Expenses by waiver of the use or enjoyment of the Common Area or by abandonment of the Lot against which the Assessments for Common Expenses are made.

Except as provided in this Declaration, all Assessments for Common Expenses shall be assessed against all Lots equally.

Section 4.2 Basis of Assessments.

Assessments for Common Expenses shall be due and payable in monthly, quarterly, or annual installments, or in any other manner, as determined by the Board of Directors. The omission or failure of the Board of Directors to levy the Assessment for any period shall not be deemed a waiver, modification, or a release of the Owners from their obligation to pay.

Section 4.4 Special Assessments.

In addition to other authorized Assessments, the Association may levy Special Assessments from time to time to cover previously unbudgeted expenses or expenses in excess of those budgeted, including, without limitation, the costs of any construction, restoration, or unbudgeted repairs or replacements of capital improvements that are not covered by the general reserve fund. Section 4.7 Effect of Non-Payment of Assessments.

(a) Any Assessment, charge or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within 30 days after the due date thereof, as established by the Board of Directors, shall bear interest at the rate established by the Board of Directors which may not exceed 8% per annum or such higher amount allowed by law, to accrue monthly from the due date. The Association may also assess a reasonable late fee thereon as determined by the Board of Directors.

(b) Further, the Association may bring an action at law or in equity, or both, against any Owner personally obligated to pay such overdue Assessments, charges or fees, or monthly or other installments thereof, and may also proceed to foreclose its lien against such Owner's Lot. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments, charges or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving the Association's lien therefor.

(c) Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessment, charges or fees, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Lot at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, convey or otherwise deal with the same. If a foreclosure action is filed to foreclose any Assessment lien, and an Owner abandons or leaves vacant their Lot, the Board may take possession, and rent said Lot or apply for the appointment of a receiver for the Lot without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any holder of a first lien security interest as set forth in its deed of trust or mortgage

(including any assignment of rents), to the extent permitted under the Act.

Section 4.8 Lien Priority.

The lien of the Association under this Section is prior to all other liens and encumbrances on a Lot except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first lien security interest on the Lot (except as allowed by the Act with regard to the limited lien priority allowed to the Association); and (3) liens for real estate taxes and other governmental assessments or charges against the Lot. This Section does not affect the priority of mechanics' or materialmen's liens. The lien of the Association under this Article is not subject to the provision of any homestead exemption as allowed under state or federal law. Sale or transfer of any Lot shall not affect the lien for said Assessments or charges except that sale or transfer of any Lot pursuant to foreclosure of any first lien security interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the lien of Assessment charges as provided by applicable state law. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any Lot from continuing liability for any Assessment charges thereafter becoming due, nor from the lien thereof.

Section 4.9 Borrowing.

The Association shall have the power to assign its right to future income, including the right to assign its right to receive Assessments for Common Expenses upon the approval of at least 67% of the Owners of the community voting in person or by proxy at a meeting at which a quorum is present.

Section 4.10 Mesa County.

The County of Mesa or its successor in governmental interest, shall be a party to this Declaration as it concerns the maintenance of Common Area, and may, if the Owners fail to do so and it seems desirable that action be taken by the County, assess the Community to provide monies for the maintenance of the Common Area, such Assessments having the effect and enforcement characteristics of other Assessments referred to in this Declaration.

ARTICLE 5 RESTRICTIONS

Section 5.1 Flexible Application of the Subsequent Covenants and Restrictions.

All Lots within the Community shall be held, used and enjoyed subject to the following limitations and restrictions. The strict application of the following limitations and restrictions in any specific case may be modified or waived, in whole or in part, by the Board of Directors or by an appropriate committee (subject to review by the Board of Directors) if such strict application would be unreasonable or unduly harsh under the circumstances. Any such modification or waiver must be in writing.

Section 5.2 Authority.

All provisions of the Governing Documents shall apply to Owners and their guests, tenants, invitees and licensees. Owners and their successors and assigns, by acceptance of a deed to their Lot, acknowledge that they have been given notice, and that:

- (a) The ability of Owners to use their Lots may be limited by the provisions in the Governing Documents.
- (b) The Board may, from time to time, adopt and amend definitions of words, phrases and terms used in this Declaration and other Governing Documents.
- (c) The Board may establish penalties for the infraction of all regulations and Owners will be responsible for fines assessed against their tenants, guests and invitees for violations of the restrictions.
- (d) All fines imposed are collectable as Assessments.

Section 5.3 Use/Occupancy.

All Lots within the Community shall be used only for those uses and/or purposes as allowed by this Declaration, subject to any Rules and Regulations adopted by the Association. Lots shall not be used for any purpose other than a residential dwelling except as set forth in this Section.

Home occupations shall be allowed so long as the home occupations are incidental and secondary to the use of the Lot and do not change the residential character thereof, comply with local zoning ordinances and regulations, and comply with this

Declaration. External advertising of any kind is prohibited. Home-based businesses shall comply with all zoning requirements.

If the Owner of a Lot is a corporation, partnership, trust or other legal entity not being a natural person, the entity shall designate in writing the name(s) of the person(s) who will occupy the Lot. The designated person(s) shall not be changed more frequently than once every 30 days, and any such change must be designated in writing within 10 days of the change.

Section 5.4 Maintenance of Lots and Improvements.

Except as otherwise set forth as an Association obligation under this Declaration, Owners are responsible for the maintenance, repair, and replacement of the Property and improvements located within their Lot boundaries.

The Association, and its agents, shall have the authority, after giving the Owner 30 days written notice, to enter, replace, maintain, repair, and clean up Lots which do not conform to the provisions of this Section, and to charge and collect from the Owner thereof all reasonable costs related thereto as an Assessment hereunder.

Section 5.5 Landscaping Requirements and Restrictions.

All landscaping in the Community shall be maintained by the responsible party under this Declaration in a good, neat, attractive and well-kept condition, whether xeriscaped or with turf, which shall include lawns mowed, hedges, shrubs, and trees pruned and trimmed, and removal of weeds and debris.

Section 5.6 Restrictions on Pets.

Pets may be kept on a Lot if the Pet is not a nuisance to other residents. No resident shall maintain or keep any Pet which, in the sole discretion of the Board, is considered to be a danger to the Owners, management staff or occupants in the Community or is otherwise considered to be a dangerous breed, as may be further defined in the Rules and Regulations. If a Pet is deemed a nuisance by the Association, the resident having control of the Pet shall be given a written notice to correct the problem and if not corrected, that resident will be required to remove the Pet from the Community pursuant to, and in accordance with, any dispute resolution procedures as may be set forth in this Declaration or the Rules and Regulations, if any. Pets may not be kept for any commercial purposes. Pets must be on a leash and under control. Feces left by Pets must be removed promptly by the owner of the Pet or the person

responsible for the Pet. Owners shall hold the Association harmless from any claim resulting from any action of their Pets or the Pets of their tenants, guests or other invitees.

Section 5.7 Antennae.

“Permitted Antennas” are defined as:

- (a) an antenna which is less than one meter in diameter and is used to receive direct broadcast satellite service, including direct-to-home satellite services, or is used to receive or transmit fixed wireless signals via satellite;
- (b) an antenna which is one meter or less in diameter and is used to receive video programming services via multipoint distribution services, including multichannel multipoint distribution services, instruction television fixed services, and local multipoint distribution services, or is used to receive or transmit fixed wireless signals other than via satellite;
- (c) an antenna which is designed to receive or broadcast television signals; or
- (d) other antennas which are expressly permitted under applicable federal statutes or regulations.

In the event a Permitted Antenna is no longer expressly permitted under applicable federal statutes or regulations, such antenna will no longer be a Permitted Antenna for purposes of this Section.

Permitted Antennas shall be installed in the least conspicuous location available on a Lot which permits acceptable signals, without unreasonable delay or increase in the cost of installation, maintenance or use of the Permitted Antenna. The Association may adopt rules regarding location and installation of Permitted Antennas, subject to limitations of applicable federal law. Except as allowed by federal statutes and regulations, no exterior television or any other antennae, microwave dish, satellite dish, satellite antenna, satellite earth station, or similar device of any type shall be erected, installed, or maintained on a Lot.

Section 5.8 Nuisances.

No nuisance shall be permitted within the Community, nor any use, activity or practice which is the source of unreasonable annoyance or embarrassment to, or which

unreasonably offends or disturbs, any Owner or which may unreasonably interfere with the peaceful enjoyment or possession or the proper use of a Lot or any Common Area, or any portion of the Community by residents. Nuisance shall be further defined in the Rules and Regulations.

Section 5.9 Acquisition of Multiple Units.

No Owner who owns or controls five or more Lots in the Community, directly or indirectly through an affiliate of the Owner, shall acquire, whether directly or indirectly through an affiliate of the Owner, any interest in any additional Lot in the Community, whether through purchase, trade, gift, inheritance, lease, merger, consolidation or other means of acquisition. Notwithstanding anything in this Declaration to the contrary, this restriction on acquisition of Units shall not apply to a mortgagee acquiring title to a Lot subject to a mortgage by foreclosure or deed in lieu of foreclosure. This restriction shall be enforceable by the Association or any Owner by means of an action for injunction to restrain any future acquisition or to require an Owner who has violated this restriction to divest any interest so acquired.

Section 5.10 Vehicular Parking, Storage, and Repairs.

(a) Parking throughout the Vineyard Community shall be regulated by the Association.

(b) The following may not be parked or stored within the Community, unless such parking or storage is within a garage on a Lot, in the driveway, in a permanent parking space, is authorized in writing by the Association, or is otherwise exempted by Colorado law: oversized vehicles, Commercial Vehicles, trailers, camping trailers, boat trailers, hauling trailers, boats or accessories thereto, self-contained motorized recreational vehicles, or other oversized types of vehicles or equipment as prohibited by rule or regulation. The foregoing may be parked as a temporary expedience for loading, delivery of goods or services, or emergency. This restriction shall not apply to trucks or other commercial vehicles temporarily located within the Community which are necessary for construction or for the maintenance of any Common Area, Lots, or any improvement located thereon. The Association may license to an Owner space in the RV Lot to park and store vehicles described above. Parking in the RV Lot shall be governed by the Rules and Regulations adopted by the Board of Directors.

(c) No abandoned, unlicensed, or inoperable automobiles or vehicles of any kind shall be stored or parked on a Lot or within the Community unless parked or stored within a garage. An "abandoned or inoperable vehicle" shall be

defined by Colorado statutes governing inoperable or abandoned vehicles on public streets, or as defined by rule or regulation adopted by the Association.

(d) No parked vehicle may impede the safe and efficient use of the streets by residents, obstruct emergency access to/from the Community, or interfere with the reasonable needs of other residents to use their driveway, Community streets, or guest parking, if any.

(e) No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting, or servicing of any kind of vehicle, trailer or boat, may be performed or conducted outside of garages for more than 24 consecutive hours. Minor repairs may be performed, provided they may be completed the day commenced, there is no damage (e.g., oil, residue) to paved areas, and all equipment and parts are removed upon completion of the work. No vehicles may be left unattended on jacks or jack stands.

(f) Parking in fire lanes (as designated by the Association or as designated by local government or a local fire protection authority) shall be prohibited.

(g) If a vehicle is parked in a fire lane, is blocking another vehicle or access to another Owner's or occupant's Lot, is obstructing the flow of traffic, is parked on any grassy area, or otherwise creates a hazardous condition, no notice shall be required, and the vehicle may be towed or booted immediately.

(h) Any vehicle parked in violation of this Declaration or the Association's Rules and Regulations shall be subject to towing or immobilization in accordance with Colorado law and any Board-adopted Rules concerning towing and/or immobilization.

Section 5.11 Use of Common Area.

There shall be no obstruction of any Common Area, nor shall anything be kept or stored on any part of any Common Area without the prior written approval of the Association. Nothing shall be altered on, constructed in, or removed from any Common Area without the prior written approval of the Association.

Section 5.12 No Annoying Lights, Sounds, or Odors.

No light shall be emitted from any portion of the Community which is unreasonably bright or causes unreasonable glare, and no sound or odor shall be

emitted from any portion of the Community which would reasonably be found by others to be noxious or offensive as further defined in the Rules and Regulations. Without limiting the generality of the foregoing, no exterior spotlights, searchlights, speakers, horns, whistles, bells or other light or sound devices shall be located or used on any portion of the Community except with the prior written approval of the Association.

Section 5.13 No Hazardous Activities.

No activity shall be conducted on, and no improvement shall be constructed on any Property within the Community which is or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any Property within the Community. No open fires shall be lighted or permitted on any Property within the Community except in a contained barbeque unit while attended and in use for cooking purposes or within an interior or exterior fireplace designed to prevent dispersal of burning embers unless otherwise prohibited by governmental ordinances. No Owner or Owners shall permit any condition on their Lot or Lots which creates a fire hazard or is in violation of applicable fire prevention regulations.

Section 5.14 Restrictions on Clotheslines and Storage.

Except for retractable clotheslines which comply with reasonable aesthetic regulations adopted by the Board and except as otherwise permitted by Colorado law, no clotheslines, drying areas or yards, service yards, shops, equipment, storage or storage areas shall be installed, allowed, kept, maintained or permitted on any Lot unless the same, in each instance, is expressly permitted in writing by the Association.

Owners shall deem to hold the Association harmless from any claim resulting from any clotheslines, drying areas or yards, service yards, shops, equipment, storage or storage areas maintained on their Lot. Clotheslines shall be installed in such a manner so as not to be visible from the street and sidewalks.

Section 5.15 Restriction on Signs and Advertising Devices.

Signs, posters, billboards, and flags (including flag poles) may be displayed in accordance with Colorado law. The Association may prohibit signs and flags bearing commercial messages, and may establish reasonable, content-neutral regulations addressing the number, placement, or size of the signs and flags, and other objective factors as permitted by Colorado law.

Section 5.16 Outbuildings and Temporary Structures.

An “outbuilding” shall mean an enclosed or covered structure not directly attached to the dwelling it serves. With the exception of the RV Lot, no outbuilding or temporary structure, including trailers, permanent tents, mobile homes, shacks, barns, detached garages or carports, or other recreational outbuildings shall be allowed on any Lot unless approved in writing by the Board of Directors or the Architectural Review Committee. Any approved outbuildings must be hidden from public view, as determined in the sole discretion of the Board of Directors.

Section 5.17 Trash Removal Restriction.

No garbage, refuse, rubbish, or cuttings shall be deposited on any street, road or any Common Area or on any Lot, unless placed in a suitable container suitably located. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage cans, trash cans or receptacles shall be maintained in an exposed or unsightly manner. If trash removal is a service ever offered by the Association to Owners, then the Association shall have the exclusive right to engage a trash removal contractor on behalf of the Owners.

Section 5.18 Prohibition of Marijuana Distribution and Growing.

No Owner or occupant of a Lot may utilize the exterior portion of the Lot for the purpose of growing or distributing marijuana or medical marijuana. This prohibition may further be clarified by the Board of Directors through Rules and Regulations. Owners will be responsible for any damage resulting from a violation of this restriction, including but not limited to increased water and utility charges.

Section 5.19 Smoking and Vaping Prohibition.

(a) Definitions. For the purposes of this Section, the following terms shall be defined as follows:

(i) “Smoking” shall mean and include the inhaling, exhaling, burning, or carrying of any lighted cigarette, cigar, or other tobacco product, marijuana, or any other legal or illegal substance.

(ii) “Vaping” shall mean and include the inhaling and exhaling of vapor through the mouth from a battery- or other operated electronic device (such as an electronic cigarette or JUUL) that heats up and vaporizes a liquid or solid.

(b) Smoking and Vaping Prohibition. No Owner, guest, family member, tenant, resident, business invitee or visitor shall smoke cigarettes, vaping devices, cigars, other tobacco products and/or any other legal or illegal substance in such a manner as to unreasonably disturb other Owners or residents in the Community, as determined at the sole discretion of the Board.

Section 5.20 Prohibited Activities.

No Owner or occupant of a Lot may engage in hoarding, creating conditions conducive to indoor fires, allowing Lots to fall into a state of disrepair to the point that rodents or other pests enter, or any other conditions which could cause damage or harm to other Lots in the Community.

Section 5.21 Rules and Regulations.

In furtherance of the provisions of this Declaration, and the general plan, Rules and Regulations concerning and governing the Community or any portion thereof may be adopted, amended, or repealed from time to time by the Board of Directors. The Board of Directors may establish and enforce penalties for the infraction thereof.

Section 5.22 Compliance with Governing Documents.

Each Owner shall comply strictly with the provisions of this Declaration, the Articles of Incorporation, Bylaws, and the Rules and Regulations of the Association, as amended.

Section 5.23 Restriction on Mining and Drilling.

No Property within the Community shall be used for the purpose of mining, quarrying, drilling, boring or exploring for or removing oil, gas, or other hydrocarbons, minerals, rocks, stones, gravel or earth.

Section 5.24 Use of the Words The Vineyard and The Vineyard Homeowners Association.

No Owner or resident shall use the words The Vineyard or The Vineyard Homeowners Association or the logo of the Community or Association, if any, or any derivative thereof, in connection with any goods, materials or services, the use of which is likely to cause confusion, mistake or deception as to the source or origin of such goods, materials or services, without the prior written consent of the Association.

Section 5.25 Street Lighting.

All Lots are subject to and bound by Public Service Company tariffs which are now and may in future be filed with the Public Utilities Commission of the State of Colorado relating to street lighting in the Community, together with rates, rules, and regulations therein provided and subject to all future amendments and changes thereto. Owners shall pay as billed a portion of the cost of public street lighting in the Community according to Public Service Company rates, rules, and regulations, including future amendments and changes on file with the Public Utilities Commission of the State of Colorado.

ARTICLE 6 ARCHITECTURAL REVIEW

Section 6.1 Required Approval.

No structures, including Residences, outbuildings, accessory buildings, antennas (except as otherwise permitted in this Declaration), flag poles (except as otherwise permitted by the Act), fences, walls, exterior lighting, landscaping, or any other improvements shall be constructed, erected, relocated, removed or installed on a Lot, nor shall any painting, alteration or change to the exterior of the improvements, the exterior of a Residence, to a Lot or to any structure or any attachment to the exterior of a Residence (including paint, awnings, patios, decks, or shutters) be commenced unless complete plans and specifications shall have been first submitted to and approved in writing by the Architectural Review Committee ("Committee") as may be outlined in the Rules and Regulations.

No alteration, improvement, or change to the interior of a Residence which affects the exterior appearance of the Residence shall be commenced unless complete plans and specifications shall have been first submitted to and approved in writing by the Committee, including but not limited to blankets, sheets, or other similar items not specifically designated for use as window coverings.

The Committee may require that applications of Owners and their plans and specifications show exterior design, height, materials, color, location of the structure or addition to the structure or proposed improvement (plotted horizontally and vertically), location and size of driveways, walls, windbreaks, and grading plan, as well as such other materials and information as may be required by the Committee. If a proposed improvement is located to the Lot line, an improvement survey may be required by the Committee.

Section 6.2 Acknowledgment of Owners.

Owners acknowledge, accept and agree to the following:

(a) Owners will not commence construction or installation of an improvement until they have submitted improvement plans and specifications and received written approval from the Committee;

(b) Owners shall immediately comply with any request by the Association for additional information relating to an improvement prior to the Committee's approval of a request and/or prior to the completion of an improvement. Failure to comply with such a request by an Owner shall result in the withdrawal of Committee approval, if previously granted;

(c) Committee approval does not constitute approval of the local building or zoning department, drainage design or structural soundness, which will be solely the Owner's obligation to obtain and the Association shall not have liability therefor;

(d) Owners, by submitting an application for approval, hereby certify:
(i) they will construct or modify improvements located only on their own Lot or upon Property which they have permission to construct, modify or improve; and
(i) they will not violate any easements, rights-of-way, or other rights appurtenant to such Property;

(e) Owners shall notify the Committee of completion of the improvement's installation or construction within five days of such completion;

(f) Upon completion of an improvement, Owners authorize the Committee or its representative(s) to enter onto the Lot for exterior inspection;

(g) Failure of an Owner to notify the Committee of completion of an approved improvement, or refusal to allow inspection, shall result in the withdrawal of the Committee's approval;

(h) If the improvement as built does not conform to the improvement as approved by the Committee, the Committee's approval will be deemed withdrawn, and upon written request of the Committee, Owners shall, at their own expense and cost, promptly bring the improvement into compliance with the submitted and approved plans and specifications;

(i) In the event of withdrawal of Committee approval for any reason(s) cited in this Section, and upon written request from the Committee, the Owner, at their expense and cost, shall promptly restore the Lot to substantially

the same condition as it existed prior to commencement of the improvement's installation or construction, and such withdrawal will be deemed to toll the statute of limitations as it pertains to the improvement until such time as the improvement is brought into compliance.

Section 6.3 Architectural Criteria.

The Committee shall exercise its reasonable judgment to the end that all attachments, improvements, construction, landscaping and alterations to improvements on a Lot or landscaping of a Lot shall comply with the requirements set forth in this Declaration. The approval or consent of the Committee on matters properly coming before it shall not be unreasonably withheld, and actions taken shall not be arbitrary or capricious. Approval shall be based upon, but not limited to, conformity and harmony of exterior appearance of structures with neighboring structures, preservation of aesthetic beauty, and conformity with the specifications and purposes generally set out in this Declaration. Upon its review of such plans, specifications and submittals, the Committee may require that the applicant(s) reimburse the Board for actual expense incurred by it in its review and approval process.

Section 6.4 Establishment of the Committee.

The Committee shall consist of a minimum of three members appointed by the Board of Directors. The Board shall have the authority to remove any members of the Committee at its sole discretion.

Section 6.5 Architectural Guidelines.

The Committee may propose architectural guidelines from time to time, which guidelines may be approved by the Board of Directors and included in or with any Rules and Regulations of the Association.

Section 6.6 Reply and Communication.

The Committee shall reply to all submittals of plans made in accordance herewith in writing within 30 days after receipt. In the event the Committee fails to take any action on submitted plans and specifications within 30 days after the Committee has received the plans and specifications, approval shall be deemed to be granted; provided, however, nothing in this Section shall authorize anyone to construct or maintain any structure or improvement that is otherwise in violation of this Declaration, the Rules and Regulations or any architectural guidelines adopted by the Board. All communications and submittals shall be addressed to the Committee in care

of the Association.

Section 6.7 Conditions of Approval.

In the discretion of the Board or the Committee, an Owner may be required to enter into a written agreement establishing the approval of the application in recordable form acknowledged by such Owner on behalf of Owner and all successors-in-interest. As a condition of approval for a requested architectural change, modification, addition or alteration, an Owner, on behalf of Owner and their successors-in-interest, affirms and shall assume, unless otherwise agreed in writing, all responsibilities for maintenance, repair, replacement and insurance to and on such change, modification, addition or alteration.

Section 6.8 Commencement and Completion of Construction.

All improvements approved by the Committee must be commenced within three months from the date of approval. If not commenced within such time, then such approval shall be deemed revoked by the Committee, unless the Committee gives a written extension for commencing the work. Additionally, except with written Committee approval otherwise, and except for delays caused by strikes, fires, national emergencies, critical materials shortages or other intervening forces beyond the control of the Owner, all work approved by the Committee shall be completed within six months of commencement.

Section 6.9 Variances.

The Committee may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Declaration in order to overcome practical difficulties and unnecessary hardships arising by reason of the application of the conditions and restrictions contained in this Declaration or in architectural guidelines.

Section 6.10 Right to Appeal.

If the Board of Directors is not acting as the Committee, an Owner whose plans have been disapproved or conditionally approved may appeal any decision of the Committee to the Board of Directors. The Board of Directors shall review the decision of the Committee pursuant to the criteria set forth in this Article and/or the architectural guidelines. Any decision of the Committee may be overruled and

reversed on appeal by a majority of the directors by a written decision setting forth the reasons for the reversal when the directors conclude that the Committee's decision was inconsistent with the criteria set forth in this Article and the guidelines.

Section 6.11 Waivers.

The approval or consent of the Committee, or appointed representative thereof, to any application for architectural approval shall not be deemed to constitute a waiver of any right to hold or deny approval or consent by the Committee as to any application or other matters subsequently or additionally submitted for approval or consent.

Section 6.12 Liability.

The Committee and the members thereof, as well as any representative of the Board designated to act on its behalf, shall not be liable in damages to any person submitting requests for approval or for any approval, or failure to approve or disapprove in regard to any matter within its jurisdiction under these covenants. Neither the Board nor the Committee shall bear any responsibility for ensuring the design, quality, structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes, zoning regulations and other governmental requirements. The Association will not make any investigation into title, ownership, easements, rights-of-way, or other rights appurtenant to Property with respect to architectural requests and shall not be liable for any disputes relating to the same.

Section 6.13 Enforcement.

Enforcement of these covenants, restrictions, charges and other provisions, as amended, may be by any proceeding at law or in equity against any person or persons violating or attempting to violate any such provision. The Association shall have the right, but not the obligation, to institute, maintain and prosecute any such proceedings. In any action instituted or maintained under this Section, the Association may be entitled to recover its costs and reasonable attorney fees incurred pursuant thereto, as well as any and all other sums awarded by the court. Failure of the Association to enforce any covenant or restriction contained in this Section shall in no event be deemed a waiver of the right to do so thereafter. In addition, or in the alternative, the Association shall have all other enforcement rights as set forth in this Declaration.

ARTICLE 7 PARTY WALLS

Section 7.1 General Rules of Law to Apply.

Each wall which is built as a part of the original construction of a Residence upon the Property and placed on the dividing line between Lots shall constitute a party wall. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply.

Section 7.2 Sharing of Repair and Maintenance.

The cost of reasonable repair, replacement and maintenance of a party wall shall be shared by the Owners who make use of the wall in equal proportions.

Section 7.3 Destruction by Fire or Other Casualty.

If a party wall is destroyed or damaged by fire or other casualty, then, to the extent that such damage is not covered by insurance and repaired out of the proceeds of same, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, subject to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 7.4 Liability for Negligence.

Notwithstanding any other provision of this Article, to the extent that such damage is not covered and paid by the insurance provided for in this Declaration, an Owner who by their negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements and damages as a result of failure to do so.

Section 7.5 Right to Contribution Runs with Land.

The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 7.6 Dispute Resolution.

In the event of any dispute arising concerning a party wall, or under the provisions of this Article, the parties shall submit the dispute to mediation. If the dispute cannot be resolved through mediation, the parties may pursue the dispute in

arbitration or through a legal proceeding before a court.

ARTICLE 8 INSURANCE/CONDEMNATION

Section 8.1 Insurance on the Lots.

Each Owner has the responsibility to obtain hazard insurance covering loss, damage or destruction by fire or other casualty to the improvements, installed or made to their Lot, or other property of that Owner located on such Lot, and liability insurance covering any injuries occurring to persons or property damages on a Lot.

Section 8.2 Insurance to be Carried by the Association.

The Association shall obtain and maintain in full force and effect, to the extent reasonably available and at all times, the insurance coverage set forth in this Declaration and as set forth in the Act, which insurance coverage shall include the following terms and shall be provided by financially responsible and able companies duly authorized to do business in the State of Colorado.

Section 8.3 Hazard Insurance on Common Area.

The Association shall obtain hazard insurance covering loss, damage or destruction by fire or other casualty to any insurable improvements installed or made to any Common Area and the other property of the Association.

Section 8.4 Association Liability Insurance.

The Association shall obtain public liability and property damage liability insurance covering any Common Area, in such limits as the Board may determine from time to time, and in all cases covering all claims for bodily injury or property damage. Coverage shall include, without limitation, liability for personal injuries and operation of automobiles on behalf of the Association.

Section 8.5 Association Fidelity Insurance.

The Association shall obtain fidelity coverage or fidelity bonds to protect against dishonest acts on the part of its officers, directors, trustees and employees and on the part of all others who handle or are responsible for handling the funds of the Association, including persons who serve the Association with or without compensation. The fidelity coverage or bonds should be in an amount sufficient to

cover the maximum funds that will be in the control of the Association, its officers, directors, trustees and employees, as required by law.

Section 8.6 Association Workers' Compensation and Employer's Liability Insurance.

The Association shall obtain workers' compensation and employer's liability insurance and all other similar insurance with respect to employees, if any, in the amounts and forms as may now or hereafter be required by law.

Section 8.7 Directors' and Officers' Personal Liability Insurance.

The Association shall obtain directors' and officers' personal liability insurance to protect the officers, directors, committee members and any person acting at the discretion of the Board from personal liability in relation to their duties and responsibilities in acting as officers and directors on behalf of the Association.

Section 8.8 Miscellaneous Terms Governing Insurance Carried by the Association.

The Association shall maintain, to the extent reasonably available, insurance policies with the following terms or provisions:

(a) All policies of insurance shall provide that each Owner is an insured under the policy with respect to liability arising out of such Owner's membership in the Association.

(b) All policies of insurance shall contain waivers of subrogation against any Owner or member of their household.

(c) All policies of insurance shall contain waivers of subrogation and waivers of any defense based on invalidity arising from any acts of an Owner and shall provide that such policies may not be canceled or modified without prior written notice to all of the Owners as provided by Colorado law and to the Association.

(d) If requested, duplicate originals of all policies and renewals thereof, together with proof of payments of premiums, shall be delivered to all holders of first lien security interests at least 10 days prior to the expiration of the then current policies.

(e) All liability insurance shall name the Association, the Board, the

manager or managing agent, if any, the officers of the Association, holders of first lien security interests, their successors and assigns, and Owners as insureds.

(f) Prior to the Association obtaining any blanket policy of casualty insurance on any Common Area, the Board may obtain an appraisal from a duly qualified real estate or insurance appraiser, which appraiser shall reasonably estimate the full replacement value of any Common Area and any improvements thereon, without deduction for depreciation, and/or consider other factors, for the purpose of determining the amount of the insurance to be effected pursuant to the provisions hereof. In the event the Association obtains casualty insurance on the Lots, then in no event shall that casualty insurance policy contain a co-insurance clause.

(g) All policies of insurance of the Association shall be primary, providing the primary insurance of the loss, if there is other insurance in the name of the Owner.

(h) All policies of insurance shall provide that the insurance thereunder shall not be invalidated, suspended, voidable or have any condition of recovery due to an act or omission by any Owner.

Section 8.9 Other Association Insurance.

The Association may obtain insurance against such other risks, of similar or dissimilar nature, including flood insurance, as it shall deem appropriate with respect to the Association's responsibilities and duties.

Section 8.10 Insurance Premium.

Insurance premiums for insurance provided by the Association shall be a Common Expense to be included as a part of the annual Assessments levied by the Association.

Section 8.11 Annual Insurance Review.

The Board shall review the insurance carried by and on behalf of the Association at least annually, for the purpose of determining the amount of insurance required.

Section 8.12 Adjustments by the Association.

Any loss covered by an insurance policy described above shall be adjusted by the Association, and the insurance proceeds for that loss shall be payable to the Association and not to any holder of a first lien security interest. The Association shall hold any

insurance proceeds in trust for the Association, Owners and holders of first lien security interests as their interests may appear. The proceeds must be distributed first for the repair or restoration of the damaged property, and the Association is not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored.

Section 8.13 Duty to Repair.

Any portion of the Community for which the Association is required to insure under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association, except as provided in the Act.

Section 8.14 Condemnation and Hazard Insurance Allocations and Distributions.

In the event of a distribution of condemnation proceeds or hazard insurance proceeds to the Owners, the distribution shall be as the parties with interests and rights are determined or allocated by record and pursuant to the Act.

Section 8.15 Responsibility for Payment of Deductible Amount.

Whether the Board, in its discretion, chooses to submit a claim under the Association insurance policies or not, the Association shall pay or absorb the deductible amount for any work, repairs or reconstruction for damage to Common Area or other property insured by the Association unless the damage is caused by the negligent or willful act or omission of an Owner, their family, guests, renters, or invitees, in which case the Association shall seek reimbursement of the deductible amount in compliance with and under the terms of the Declaration.

Section 8.16 Insurance Assessments.

If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair due to deductibles allocated to the Association or failure of the Association to maintain coverage to defray costs of repair and reconstruction which in the absence of insurance would be the maintenance responsibility of the Association, the deductible or additional cost shall be a Common Expense. This Insurance Assessment shall not be considered an Assessment as discussed in this Declaration and shall not require any vote or ratification of the Owners.

Section 8.17 Damage to or Destruction of Lots.

In the event of damage to or destruction of structures or improvements on a Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure and improvements in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration, unless a determination not to rebuild is made by the Owner in cases of substantial damage or destruction. If the structure is substantially destroyed and a determination is made not to rebuild or to reconstruct, the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction, and, thereafter, the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with this Declaration.

ARTICLE 9 GENERAL PROVISIONS

Section 9.1 Compliance and Enforcement.

(a) Every Owner and occupant of a Lot shall comply with the Governing Documents, and each Owner shall have the right to enforce the covenants and restrictions, as set forth in this Declaration.

(b) The Association may enforce all applicable provisions of this Declaration, and may impose sanctions for violation of the Governing Documents. Such sanctions may include, without limitation:

(i) imposing reasonable monetary fines, after notice and opportunity for a hearing, which fine shall constitute a lien upon the violator's Lot;

(ii) suspending the right to vote and the right to use Common Area;

(iii) exercising self-help (including, but not limited to, performing such maintenance responsibilities which are the Owner's responsibility under this Declaration and assessing all costs incurred by the Association against the Lot and the Owner as an Assessment) or taking action to abate any violation of the Governing Documents;

(iv) requiring an Owner, at the Owner's expense, to remove any structure or improvement on such Owner's Lot in violation of the Governing Documents and to restore the Lot to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed, at the Owner's expense, and any such action shall not be deemed a trespass,

with all fees and costs in connection with such removal and restoration to be assessed to the Owner as an Assessment under the terms of this Declaration;

(v) without liability to any person, the Association precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration from continuing or performing any further activities in the Community;

(vi) levying specific Assessments to cover costs incurred by the Association to bring a Lot into compliance with the Governing Documents; and

(vii) bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both.

(c) In addition to any other enforcement rights, if an Owner fails to properly perform their maintenance responsibility, or otherwise fails to comply with the Governing Documents, the Association may record a notice of violation against the Owner and the Lot.

(d) All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the Governing Documents, the prevailing party shall be entitled to recover all costs, including, without limitation, attorney fees and court costs, reasonably incurred in such action.

(e) The decision of the Association to pursue enforcement action in any particular case shall be left to the Board's discretion, subject to the duty to exercise judgment and be reasonable, as provided for in this Declaration, and further restricted in that the Board shall not be arbitrary or capricious in taking enforcement action. A decision of the Association to not pursue enforcement action shall not be construed as a waiver of the Association's right to enforce such provisions at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction or rule.

Section 9.2 Attorney Fees.

If an Owner fails to pay any Assessment as provided in this Declaration, the Association may require reimbursement for reasonable attorney fees and costs without the necessity of commencing a legal proceeding. If an Owner or an Owner's family member, guest, tenant, invitee or licensee fails to comply with any other provision of

the Governing Documents, the Association may seek reimbursement for reasonable attorney fees and costs incurred as a result of such failure to comply, without the necessity of commencing a legal proceeding. In a legal proceeding in any way related to the Governing Documents or the Community, the court shall award to the prevailing party reasonable attorney fees and costs incurred in asserting or defending the claim. Such reasonable attorney fees and costs, if awarded against an Owner, shall be charged as an Assessment and shall constitute a lien against the Lot. Attorney fees charged to the Owner shall be further limited by any applicable provisions of Colorado law.

Section 9.3 Severability.

Each of the provisions of this Declaration shall be deemed independent and severable. If any provision of this Declaration or the application thereof to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications of this Declaration which can be given effect without the invalid provisions or applications.

Section 9.4 Term of Declaration.

The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity.

Section 9.5 Amendment of Declaration by Owners.

Any provision, covenant, condition, restriction or equitable servitude contained in this Declaration may be amended, revised, removed or repealed, and new provisions, covenants, conditions, restrictions or equitable servitudes may be added, at any time and from time to time upon approval of Members holding at least 67% of the total votes in the Association and with the written consent of the Association. Notice of any meeting at which a proposed amendment will be considered shall state the fact of consideration and the subject matter of the proposed amendment. The amendment or repeal shall be effective upon the recordation in the office of the Clerk and Recorder of Mesa County of a certificate setting forth the amendment in full and certifying that the amendment has been approved as set forth above, and containing the written consent and approval of the Association.

Section 9.6 Amendment of Articles of Incorporation.

Amendment of the Articles of Incorporation, except for amendments that may be adopted by the Board of Directors pursuant to the Colorado Revised Nonprofit Corporation Act, shall require the affirmative vote of at least a majority of the votes cast,

with at least a quorum of Owners voting; provided, however, that no amendment to the Articles of Incorporation shall be contrary to or inconsistent with the provisions of this Declaration.

Section 9.7 Captions.

All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise affect that which is set forth in any paragraph, section or article hereof.

Section 9.8 Interpretation.

The provisions of this Declaration shall be construed to effectuate their purposes of creating a uniform plan for promoting and effectuating the fundamental concepts as set forth in this Declaration. The Board of Directors shall have the authority to interpret the meaning of any provision contained in this Declaration.

Section 9.9 Singular Includes the Plural.

Unless the context otherwise requires, the singular shall include the plural, and the plural shall include the singular, and each gender reference shall be deemed to include the masculine, feminine, and neutral.

Section 9.10 Challenge to this Amendment.

All challenges to the validity of this amendment or any future amendments must be made within one year after the date of recording of this document. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity.

Section 9.11 Non-Waiver.

Any forbearance or failure to enforce any provisions of this Declaration shall not operate as a waiver of any such provision or of any other provision of this Declaration or of any subsequent enforcement of such provision.

Section 9.12 Conflict of Provisions.

In case of conflict between this Declaration and the Articles or Bylaws, this

Declaration shall control. In the case of conflict between the Articles and Bylaws, the Articles shall control.

Section 9.13 Sewer and Water Services.

The Association shall be responsible for payment of domestic water service by Ute Water Conservancy District, and for the annual assessments for irrigation water by Redlands Water and Power Company.

In the event the Association is dissolved, it is understood that Ute Water Conservancy District may, if it desires, install a separate tap and meter for each Owner, the payment for which would be 20% of the tap fee prevailing on the date of installation.

Billing for both sewer and water services would then be directly to the individual Lot Owner at the then prevailing rate for such individual service. At any time, the Association or any other party should decide to construct within the Community a swimming pool, laundromat, clubhouse, or similar facility requiring water supply, the Association or other party shall provide and pay for the total costs of the back-flow preventers.

The undersigned, being the President and the Secretary of The Vineyard Homeowners Association, hereby certify that pursuant to the Colorado Common Interest Ownership Act, C.R.S. §38-33.3-217(1)(a), at least 67% of the Lot Owners have approved this Declaration, as set forth in Exhibit B. Alternatively, a court order entered by the District Court for Mesa County, Colorado pursuant to C.R.S. §38-33.3-217(7), has been entered approving this Declaration.
